ABSTRACT

This science-oriented reading readiness text is provided in three versions: English, Spanish and Navajo. It consists of large black-and-white drawings of birds, animals and insects familiar to the southwestern U.S. One picture is provided on each page, with the name of the animal printed in large type beneath the picture. The three booklets are identical except for the language of the text. (CHK)

****
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
